Who may we thank for referring you?		

We at Dr. Boisvert's office are proud to be part of a team whose primary mission is to deliver the finest and most comprehensive dental care available today. In addition, we are also dedicated to making top-quality care as cost-effective as possible.

Payment for dental services is expected at the time the service is rendered. We do not bill for dental treatment. To assist you with your healthcare investment, we provide the following payment options:

Cash-includes money orders and personal checks

MasterCard/Visa/American Express/Discover

<u>Care Credit</u>— an outside financing plan which is a line of credit to cover you and your family members' healthcare needs.

## **Dental Insurance:**

If you are covered by a dental insurance plan, please make sure you provide your insurance information to our office staff. As a courtesy to our patients, we will bill your insurance for you. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. We will accept assignment of benefit for most plans. You will be expected to pay your estimated co-pay at the time of service. Some insurance companies pay fixed allowances for certain procedures and others pay a percentage of the charges. It is your responsibility to know your benefits, pay any deductible amount, co-insurance or any other balance not paid by your insurance. We will contact your insurance carrier prior to your visit to get a current benefit summary. We will advise you of your benefits as told to us by the insurance carrier. All benefits that are quoted to us are only valid as long as your employment status and company contract do not change during your treatment. It is your responsibility to advise us of any changes in regards to your insurance coverage.

There are a few dental insurances that reimburse the patient directly, such as Delta Dental and some Anthem Blue Cross/ Blue Shield plans. If you are covered by any of these companies, we will still bill your treatment for you, but ask that you pay for your treatment at the time of service.

I hereby assign dental benefits to: Lorène A. Boisvert, D.D.S.

This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as an original. I understand that I am financially responsible for all charges whether or not paid by said insurance (if applicable). I hear by authorize the said assignee to release all information necessary to secure payment for dental services provided. This includes disclosure of portions of my dental records when applicable.

In the event that full payment for charges incurred for my dental care are not made, I agree to pay all costs for collection including reasonable attorney's fees and interest at the rate of eighteen percent (18%) per annum.
